# NEWS RELEASE

Officer Mike Rowe  
Public Information Officer  
(503) 969-6502 or 526-2275

Released: February 27, 2012  
Case No: NA

### **Results of the Three Flags Safety Campaign**

On February 19, 2012 the Beaverton Police Department completed the two-week winter Three Flags traffic safety campaign for occupant safety. The traffic safety team stopped 251 vehicles during the Three Flags safety blitz.

During this two-week campaign, officers conducted selective traffic enforcement for seatbelt violations, proper use of all child safety restraints and for speeding infractions.

In conjunction with the safety campaign, the Beaverton Police Department held a child safety seat clinic on Saturday February 18 at Kuni Auto Body. During this four-hour clinic, technicians checked 53 child safety seats for proper installation. If the seats were not installed properly, the technicians showed the parent or caregiver how to install it so it would work as designed and keep the child safe during a collision.

The Beaverton Police Department holds free safety seat clinics throughout the year. The next clinic will be on Saturday, March 10, 2012, from 9:00 a.m. to 12:30 p.m. at Kuni Auto Body located at 3725 S.W. Cedar Hills Boulevard in Beaverton.

For a calendar listing other local free safety seat clinic event information, visit [www.childsafetyseat.org](http://www.childsafetyseat.org)

Even though the Three Flags winter safety campaign has ended, our traffic safety enforcement efforts will be on-going as we work with the community to save lives.

Three Flag Safety campaigns are funded through grants received from the Oregon Chiefs of Police Association and the Oregon Department of Transportation.
